Just say no to cable spaghetti and ugly cable tape! Designed for speaker stands and lighting stands, this smart cable clamp simply wipes the floor. It can secure a total of 12 cables width 4 - 9 mm. The cables are laid in a slot and secured in place with velcro tape. The light and practical cable clamp can be used on tube diameters from 35 - 42 mm. The heavy-duty plastic and robust velcro tape ensures a long lifetime, tidiness and safety - whether used at a public event or at home. Each pack contains two clamps.
